

As this will be the last newsletter of the school year, we would like to say many, many thanks for your continued support over the year.

**'It's time to say goodbye; our year has come to an end.
We have many cherished memories and made many small new friends.
We have watched your children learn and grow and change from day to day.
We hope that all the things we've done have helped in some small way.
So, it is with happy memories, we send them out the door.
With great hope and expectations for what next year holds in store.'**

Working in partnership with you all has enabled the children to make fantastic progress in their learning and development this year. It has been an absolute pleasure to see your children blossom and grow. We are very proud of everything that they have achieved, as we are sure you are too. Together, we have certainly given the children 'the roots to grow and the wings to fly' and for most of our children it is now time for them to spread their wings and fly on to their next journey in school. We will miss each and everyone of you.

As you already know reading is a priority at Lee Brigg School. Research shows that children who are read to every day from an early age have better language skills later in life and they perform better academically. Reading also positively impacts children's wellbeing. Therefore, over the summer holidays please continue to read books daily to your child. Please remember 'there is no app to replace your lap!'

Once again, we cannot thank you enough for all the support you have given to us and your children. Many thanks for your 50p weekly contributions. These have enabled your children to take part in lots of baking and tasting activities, which they have thoroughly enjoyed. We have also been able to buy new resources for our outdoor area.

We hope that you all have a wonderful summer; hopefully, the sun will shine for us all.

School and Nursery re-open to children on Wednesday 6th September.

Love from Mrs Windsor, Mrs Hough and Mrs Standring. xx
