Friday 4th October 2024

Dear families,

Parent Consultations

You can now book parent consultations for week commencing 21.10.24. These meetings will focus on how your child has settled into their new class and look at the progress they have made so far. Due to limited numbers of appointments only 1 appointment is available per child. If you have any difficulties with this, please contact school.

Harvest Festival

Unfortunately, we have not been able to find a suitable replacement date for the Harvest Festival at church. Therefore, Father David will do a school service on Monday 7th October instead. Due to the size of our school hall, parents are unable to attend this session.

However, we are still collecting food donations for the Well Project. If you can donate any dry foods (such as soup, pasta, cereals), toiletries (such as toilet roll, deodorant, shampoo) or useful drink items (such as tea, coffee, UHT milk) please bring items into school on **Monday 7th October**.

Flu Nose Spray Reminder

If you haven't yet completed your child's flu vaccinations (Reception to Year 2 children only, not nursery) you can scan the QR code or follow the link on the last page of the newsletter. Thank you.

Dear Parent/Guardian,

It is time for your child's yearly flu vaccination, which is offered to all school aged children from Reception upwards.

Why get your child vaccinated?

It helps keep your child safe from flu. Flu can be a nasty illness and sometimes causes serious problems such as a chest infection which can develop into pneumonia. It is a quick and simple nose spray and giving your child the flu spray will stop the spread and help keep friends and family safe. Older people and those with illnesses are most at risk if they catch flu from children. The flu vaccination is free for your child. Flu viruses change, so even if they had it last year, they need it again this year.

Visit www.nhs.uk/child-flu for more information.

How do you let us know you want your child to have the flu vaccination?

Please fill in one online consent form for each child, **click on the following link:**
<https://www.wakefieldschoolimmunisations.co.uk/Forms/Flu>

The code for your child's school is: **WF142359**

Please complete the form as soon as you can to ensure your child gets vaccinated. Even if you do not want your child to be vaccinated, please complete the form to let us know. We are due to visit your child's school on **Wednesday 06th November, access to the link will close 3 days before the session.**

The nasal spray contains porcine/pork gelatine. is there an alternative?

Yes, there is a flu injectable vaccine that **DOES NOT** contain pork gelatine (otherwise known as porcine gelatine). To consent to the flu injection, click no to the nasal flu vaccine and you will be contacted by one of the team.

What if my child is absent?

If your child is away from school on the day, we will return to school in January for a catch-up session. This vaccine is not offered by your GP unless your child is in an at-risk group.

If your child becomes wheezy, has a bad attack of asthma, or has started steroid tablets for asthma after you return this form or your child has this vaccination anywhere else, please contact the School Aged Immunisation Service.

Call us on **01924 310133** if you have any problems or questions. The team will be happy to help.

Yours sincerely,
School Aged Immunisation Service
